

ITT57 CONTRACT FOR 2-WAY RADIO EQUIPMENT AND RELATED SERVICES

Industrial Communications & Electronics® is pleased to be an authorized vendor on the Commonwealth of Massachusetts' ITT57 Statewide Contract for 2-Way Radio Equipment & Supplies.

The ITT57 contract permits Massachusetts municipalities and other eligible entities to procure eligible 2-way radio equipment and related services (rental, installation, maintenance, repair and service) from approved vendors.

The terms of this contract allow any municipality and/or eligible entities to purchase any of the products offered on the contract from Industrial Communications at ITT57 pricing without the need to write an RFP or go through a tedious bidding process.

Products and Pricing Available:

Manufacturer / Product Group	Discount % off MSRP)
Motorola Commercial & Professional Series Two-way Radio Equipment	27%
Motorola Commercial & Professional Series Two-way Radio Accessories	12%
Motorola Commercial & Professional Series Two-way Radio Batteries	20%
Motorola Professional Analog Series Battery Reverting Charger	5%
Motorola Professional Analog Series MINITOR Pagers	15%
Vertex Standard Two-way Radio Equipment	27%
